

January 2012

Happy New Year, all:

I know we haven't had a Tip of the Month for several months, but I hope to be back on schedule for 2012.

We've had a sponsor who had an issue with the difference between the 'sub-investigator' list on IRB Online and on the 1572. This is a letter that Susie Hoffman wrote for someone having similar issues, last year. I've also attached the letter so you have it if you need it.
